

Welcome to Avant-Garde Kitchens

Tired of the same old kitchen designs? Bored with neutral colours and monotonous form? You want something different, a kitchen that has individual style with original colours and finishes.

Avant-Garde Kitchens Designs, co-ordinates and custom-builds a wide range of kitchens - from traditional to ultra-modern. The staff focus on the creative aspects of kitchen design and prides them selves on meeting almost any design challenge.

When deciding your new kitchen, why not visit our comprehensive showroom during business hours and discuss your special ideas for design requirements, materials and colours. Online enquiries welcome anytime.
